Ordinance No. 075- 2019

Accepting The Bid Of Geddis Paving & Excavating, Inc., 1019 Wamba Avenue, Toledo, Ohio 43607 For Furnishing Labor, Materials, And Equipment For The Urban Runoff Capture And Otter Creek Restoration Project; Authorizing The Mayor, Director Of Public Service And Finance Director To Enter Into A Contract With Said Contractor; And Declaring An Emergency

Summary And Background

Ordinance No. 1-2019, passed by Council on January 14, 2019, authorized the Director of Public Service to take bids for projects, such as the Urban Runoff Capture and Otter Creek Restoration Project.

Bids were advertised in accordance with law and were received and opened on July 11, 2019.

The said project is included in the approved 2019 CIP Budget under 261.3150.57717. **Now, Therefore,**

Be It Ordained By The Council Of The City Of Oregon, Ohio, That:

Section 1. The bid of Geddis Paving & Excavating, Inc., 1019 Wamba Avenue, Toledo, Ohio 43607 for the Urban Runoff Capture and Otter Creek Restoration Project in the amount of Six Hundred Ninety-Six Thousand, Four Hundred Eighty-Three and 05/100 Dollars ($696,483.05) be in the same is hereby accepted as the lowest and best bid in accordance with prices as set forth in "Exhibit A", attached hereto and made a part hereof.

Section 2. The Mayor, Director of Public Service and Finance Director are hereby authorized to enter into a contract with Geddis Paving & Excavating, Inc., 1019 Wamba Avenue, Toledo, Ohio 43607 for the Urban Runoff Capture and Otter Creek Restoration Project in the amount of Six Hundred Ninety-Six Thousand, Four Hundred Eighty-Three and 05/100 Dollars ($696,483.05).

Section 3. It is hereby found and determined that all formal actions of this Council concerning and relating to the passage of this Ordinance were adopted in an open meeting of this Council and that all deliberations of this Council and any of its committees that resulted in such formal actions were in meetings open to the public in compliance with all legal requirements, including Section 121.22 of the Ohio Revised Code and that the consideration, reading and adoption of this Ordinance has been in accordance with Article III, Section 9 of the City Charter as amended.

Section 4. This Ordinance is hereby declared to be an emergency measure and shall take effect upon its passage and signature by the Mayor. The reason for the emergency lies in the fact that this Ordinance is necessary in order to let the construction contract and begin construction in a timely manner.

Through: Paul Roman, P.E. - Director of Public Service

Subject: Project Award Recommendation

Project: Urban Runoff Capture and Otter Creek Restoration Project

On Thursday, July 11, 2019 bids for the Urban Runoff Capture and Otter Creek Restoration Project were opened by the Department of Public Service (See the attached Bid Tabulation). Geddis Paving & Excavating Inc., 1019 Wamba Avenue, Toledo, OH 43607, submitted the lowest and best bid of $696,483.05.

This project will consist of the construction of a stormwater treatment system, storm sewer, parking area, walking path, and associated restoration in the Eastmoreland and Euclid Park subdivisions of the City of Oregon. Work will take place along Eastvale Drive and in the city-owned parkland at the west end of Eastmoreland Blvd. Landscaping for the stormwater treatment wetland includes the installation of native wetland plugs, trees, shrubs, and various floodplain and upland seed mixes. Invasive species control for 2019 - 2021 is also part of the contract.

The City of Oregon received a $499,977 grant from the US EPA through the Great Lakes Restoration Initiative (GLRI) for the project. This funding will be used to pay for part of the construction as well as the engineering and design of the project.

On May 22, 2019, a public meeting was held for the residents adjacent to the project area, see the attached sign-in sheet from the meeting. At the meeting, a presentation was given regarding the design of the project and an informal question and answer session followed. Most comments during the meeting were positive towards the project and residents were in favor of the environmental and recreational benefits the project would provide to the neighborhood.

Based on the review of the best bid criteria, project references, and work experience, it is recommended that the project construction contract be awarded to Geddis Paving & Excavating, Inc., in the amount of $696,483.05. It is anticipated that construction of the project would begin in early Fall 2019 and be completed by June of 2020.

Should you have any questions concerning this project please feel free to contact the Department of Public Service to discuss further.

Don Nelson
Environmental Specialist
