

# CITY OF OREGON VEHICLE WEIGHT LIMITS

## Legend

- 6000 lb Load Weight Limit
- 80,000 lb Load Weight Limit
- 80,000 lb Load Weight Limit (Designated Truck Route)
- City of Oregon

**Note:**  
No permit is required for trucks delivering or picking up merchandise or material to and from residential and commercial (store) properties, provided that such operation is not in violation of any other provision of Oregon Municipal Code Chapter 339, and provided otherwise that a route of shortest or safest possible distance is traveled on a roadway or roadways with established vehicle weight limits. The safest route shall be determined by the Director of Public Service. All other commercial trucks with weight greater than the posted weight limit will need a Special Haul Permit per Oregon Municipal Code Section 339. The Special Haul Permit is available at [http://www.ci.oregon.oh.us/pdf/hauling\\_provisions.pdf](http://www.ci.oregon.oh.us/pdf/hauling_provisions.pdf)
