2022 CITY OF OREGON

LEAF COLLECTION RULES AND SCHEDULE

Leaf Collection Rules

We ask residents to please follow these rules when raking leaves:

1. **Do not place leaves in the street or curb and gutter area, ditches and drainage swales.**

Leaves in the street interfere with storm drainage, causing blockages and flooding. The correct location for leaf piles is in the lawn area approximately 1-3 feet from the curb or road edge. **Please note, due to local flood prevention and storm water quality regulations to improve Maumee Bay, placing leaves in a storm drain, curb and gutter, ditch, or drainage swale, is a direct violation of Oregon Municipal Code Sections 521.12 and 905.12 (See City website for specific code language at www.oregonohio.org)**

2. **Do not include animal waste, grass clippings or yard waste (sticks, branches, straw, pumpkins, etc.) with the leaves.**

Leaf collection machines are designed to pick up leaves only. Other items will plug these machines causing downtime and delays in your scheduled pick-up dates.

3. **Do not place the leaf piles near trees, mailboxes or signs.**

Obstructions like these cause crews to stop and hand rake, thus slowing the collection process. Please keep the leaf pile a **minimum of three (3) feet** from the said obstructions.

Leaf Collection Schedule

Leaves will be collected in the areas listed below on a rotating basis –two (2) days in each area (approximately every two (2) weeks) as scheduled to complete the job or as long as **weather permits** (snowfall and ice). Please be advised that the schedule below may end early due to inclement weather or as warranted by existing conditions. **Leaves must be bagged for garbage pick-up when the schedule ends.** Leaves may be bagged and put out with the weekly garbage pick-up at any time (40lb bag limit). The City suggests that you use your leaves for compost and bedding for your garden areas. **No parking on streets during leaf pick-up in your area on days scheduled.**
