Ordinance No. 165 - 2023

Authorizing The Mayor, Finance Director, And Director of Public Service To Issue Purchase Orders To Chemtrade Chemicals, US LLC, 90 East Halsey Road, Suite 200, Parsippany, NJ 07054; Jones Chemicals Inc. (JCI Inc.), 18000 Payne Street, Riverview, Michigan 48193; And Carmeuse Lime, Inc., 11 Stanwix Street, Pittsburgh, Pennsylvania 15222 For 2024 Water/Wastewater Treatment Chemicals And Materials Bid; And Declaring An Emergency

Summary And Background

Ordinance No. 1-2023 passed by Oregon City Council on January 10, 2023, authorized the Director of Public Service to receive bids for various items used in the various departments of the City.

Bids were advertised in accordance with law and were received and opened on November 30, 2023.

No bids were received for Pebble Lime, however the City received a quote from Carmeuse Lime, Inc.

In accordance to ORC 735.051, the Director of Public Service is authorized, subject to Council approval, to purchase supplies and materials without formal bidding and advertising due to emergency conditions, such as purchasing chemicals that are limited in supply for water treatment.

It has been determined by the Department of Public Service that the bids received for the various chemicals listed in Section 1., and a quote received from Carmeuse Lime, Inc. are the lowest and best bids to meet the needs of the City of Oregon. **Now, Therefore,**

Be It Ordained By The Council Of The City Of Oregon, Ohio, That:

Section 1. The Mayor, Finance Director and Director of Public Service are hereby authorized and directed to issue purchase orders for the period of one (1) year with the following listed companies based upon unit prices received by the City on November 30, 2023, and a quote received by Carmeuse Lime, Inc. in a form substantially as set forth in "Exhibit A" attached hereto and incorporated herein by reference.

COMPANY	CHEMICALS
Chemtrade Chemicals, US LLC	Liquid Aluminum Sulphate
JCI Jones Chemicals Inc.	Liquid Caustic Soda
Carmeuse Lime, Inc.	Pebble Lime

Section 2. It is hereby found and determined that all formal actions of this Council concerning and relating to the passage of this Ordinance were adopted in an open meeting of this Council and that all deliberations of this Council and any of its committees that resulted in such formal actions were in meetings open to the public in compliance with all legal requirements, including Section 121.22 of the Ohio Revised Code and that the consideration, reading and adoption of this Ordinance has been in accordance with Article III, Section 9 of the City Charter as amended.

Section 3. This Ordinance is hereby declared to be an emergency measure and shall take effect upon its passage and signature by the Mayor. The reason for the emergency lies in the fact that this Ordinance is necessary for the timely purchase and delivery of chemicals to be used at the Water and/or Wastewater Treatment Plants.
