Accepting The Bid Of Hillabrand & Sons Construction, 5811 Woodville Road, Northwood, Ohio 43619 For Furnishing Labor, Materials And Equipment For The Luc-Sr 2-21.72 Navarre Safety Improvement (Pid 118234) Project; Authorizing The Mayor, Director Of Public Service And Finance Director To Enter Into A Contract With Said Contractor; And Declaring An Emergency

Summary And Background

The LUC-SR 2-21.72 Navarre Safety Project (PID 118234) involves the implementation of a series of safety improvements along Navarre Avenue (State Route 2), from Isaac Streets Drive to approximately 200 feet west of South Coy Road. The project includes construction of a concrete median and resurfacing a 0.7-mile stretch of Navarre Avenue, extending from Isaac Streets Drive to 450 feet west of Coy Road. Additional improvements include the installation of U-turn bulb-outs, access management drive modifications, and new traffic signals at the intersections of Harbor Drive, Kingston Court, and Kroger Drive. The project also includes new sidewalks, signage, pavement striping, and other associated work necessary to complete the improvements.

On November 13, 2023, Oregon City Council passed Ordinance No. 142-2023, authorizing the Mayor to enter into a Local Public Agency (LPA) Federal Project Agreement with the Ohio Department of Transportation (ODOT) to accept $5,000,000 in grant funding from the Federal Highway Administration. These funds are designated for eligible costs associated with the implementation of the Navarre Avenue safety improvements.

On September 23, 2024, Oregon City Council passed Ordinance No. 161-2024, authorizing the Mayor to enter into an amended agreement and execute ODOT Agreement No. 40024 – Amendment No. 1 with the Ohio Department of Transportation. This amendment secured an additional $600,000 in Federal Urban Paving funding for the project, increasing the maximum funding cap from $5,000,000 to $5,600,000 for eligible costs.

On September 9, 2024, Oregon City Council passed Ordinance No. 151-2024, authorizing the submission of an application and execution of contracts for approved funding from the Ohio Public Works Commission (OPWC). The City was subsequently awarded a $592,682 grant to be used for eligible costs for this project.

Bids were advertised in accordance with law and were received and opened on August 12, 2025. Of the two bids received, Hillabrand & Sons Construction was determined to be the lowest and best. They are prequalified with ODOT and have successfully completed numerous past projects for the City to our satisfaction

A portion of the said project is included in the approved 2025 C.I.P. Municipal Budget in Account 359.7342.57730. **Now, Therefore,**
